

## **Green Team AGM Speech**

Good afternoon ladies and gentlemen, and thank you for coming to our AGM.

My name is Sean Crane, I would like to give a very special thanks to my very good friend Warren Spence, not just because of his listening ear, but also because of the “**EVENT**”, he had his head shaved at our Christmas party, in front of everyone at The Courtyard, not just The Green Team. He raised £116 through sponsorship for us.

It's things like this that raise funds for our charity and enable us to provide our clients with the gardening, which many of them are so much in need of. We don't just provide a service, some of the people actually enjoy talking to us, and many of you know “**I ENJOY A GOOD TALK!!!**”

**I would like to give a big thank you to Warren, where are you? Not just from The Green Team but from me, and to enable me to come in a talk your ear off!!**

I joined The Green Team about a year ago and have since become the secretary of The Green Team Volunteers Committee, held at West Park monthly, I am also long term unemployed, and with the help of the Green Team hope to gain full time employment.

Having volunteered for The Green team for just over a year now, I consider all the people that I work with as friends.

I have gained 2 City and Guilds Qualifications, thanks to The Green Team and look forward to continuing to volunteer for them.

I am also a volunteer with Goole Lions, one of the worlds oldest charities, a World War 11 re-enactor and lead volunteer for Mission Trinity, the only food bank in Goole, and the only place that does a free meal for the needy and vulnerable.

As you have heard, I do enjoy volunteering and helping others, as you meet so many varied people with very different needs.

Thank you all for coming and supporting us all.

It is greatly appreciated.
